"My child and I have been made to feel extremely welcome by the nursery." Holly H

"This is a newly opened well-appointed nursery with excellent staff." Fearg O

"We are thoroughly impressed with every aspect of the centre." Daniel G

Welcome to Kido Crouch End

Discover a modern nursery that will inspire a love of learning in your children from an early age

No school can ever be too beautiful for your children. That's why we've created some of the most stunning early education centres in the world

Our mission is to build the most beautiful schools the world has ever seen. That's why the iconic Earl Haig Hall is the perfect place for our Crouch End nursery.

The much-loved institution is located on Elder Avenue, right in the town centre, and a short walk from Crouch Hill and Hornsey station.

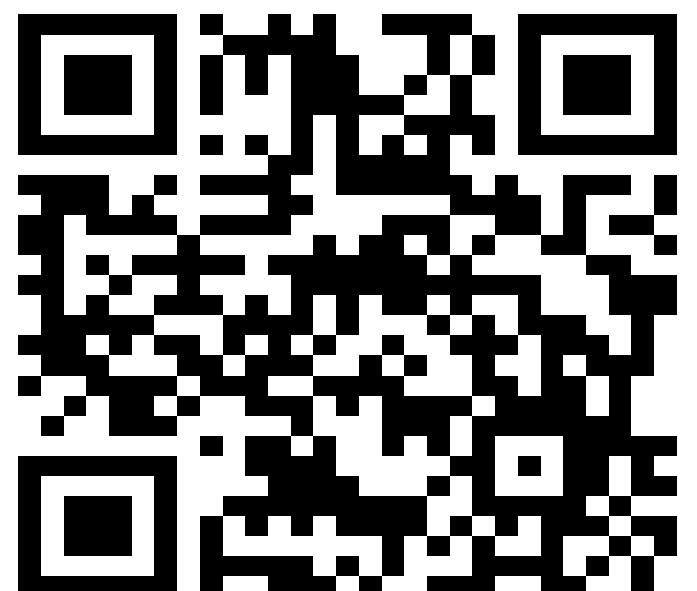

In the past it was owned by the Royal British Legion, before being turned into a venue and a hub for public events. The hall closed for good in January 2019, but it now has a new life as a place for the children of Crouch End to create fantastic memories.

We've taken great care to preserve the exterior of the building, while remodelling the interior to produce a truly modern learning centre, equipped with the latest heating, air conditioning and plumbing systems. Children can enjoy over 6,000 sq. ft. of space, while the large classrooms allow for plenty of natural light. The school also has a huge indoor stage for performances and assemblies.

To ensure your child's safety and privacy, we have installed the latest security systems at the school. The centre caters to 100 students, from the ages of three months to five years old.

"Children can enjoy over 6,000 sq. ft. of space, while the large classrooms allow for plenty of natural light."

We're incredibly proud of our school. The Earl Haig Hall has created many wonderful memories for the people of Crouch End, and we take its legacy seriously. This is why the building will continue to serve the community by hosting events on weekends, in addition to its status as the home of our exciting new nursery.

Creating a journey

Our programmes

We aim to provide a comprehensive learning experience for you and your children.

Our Crouch End preschool is split into various zones, each one dedicated to a different age group, with specially designed activities.

DISCOVERERS

Your child's journey begins at six weeks old. We develop their core cognitive, emotional and social skills through a combination of free and guided play, dance, art and music classes, and messy play. Our physical development programme helps improve their motor skills, while their confidence and social skills are enhanced with interactive learning, songs, poems and circle time.

We constantly introduce new materials, media and textures during creative play sessions, to build their imagination and inventiveness. Children can discover the basic concepts of numbers, phonics, shapes, sounds and colours at a rate that suits them as an individual.

Days at Kido are broken into two distinct flavours; Skill Days, which provide your child their first steps into the world of maths and literacy; and Explorer Days, which are packed with fun activities based around a specific subject. And you don't have to worry about your child's home routine being disrupted. Our highly trained staff coordinate with each family when agreeing meal and nap times, to ensure a smooth transition from school to home and vice versa.

ADVENTURERS

Our Adventurers programme starts as soon as your child can walk and usually finishes by the time they're two years old - though children can move to

Messy play sessions with mud, water and sand are a fun way for children to develop their fine motor skills

the next stage as soon as they're ready. Adventurers build their confidence and skills across all of the development areas in our curriculum, with their week split into three Skills Days and two Explorer Days.

On their Skills Days, Adventurers will cover maths, literacy, science and art, and enjoy yoga, dance and music classes as part of their physical development. On Explorer Days, Adventurers will tackle varied projects, specifically designed to take their interests into account.

Our specially curated learning experiences are ideal for your child's development - and plenty of fun too. We also start toilet training at Adventurers, consulting with each individual family to create a routine that makes every child feel safe and at home while at our nursery.

PRESCHOOL

We build a complete understanding of every child's ideal learning environment, and use this knowledge to create customised lesson plans for them. These personalised experiences help them become more creative, and inspire a love of learning from an early age.

At four years old, our students should understand maths and English at preschool (or higher) level, reaching primary school level by the time they are five years old.

Along the way, we also introduce coding through apps, photography, video editing, writing stories and much more.

Weeks are broken into three Skills Days and two Explorer Days, which incorporate indoor and outdoor play, dance, music and yoga.

Fun toys and activities will help build your child's confidence and skills across all our key development areas

Where you learn is just as important as what you learn

All of our rooms provide enough space for your child to run around and explore

has been extensively resourced with learning materials curated to deliver our curriculum.

Our play area features a dedicated soft play zone, while the school's huge indoor stage is the perfect environment for productions and assemblies. We also have a garden, so that

children can play outside and get some fresh air.

All learning resources and toys are sourced from the highest quality suppliers in the UK and Europe, matching the needs of our curriculum and ensuring endless hours of fun for the children.

With so many fun activities, our children never get bored of learning

The Reggio Emilia approach is a huge influence on all our nurseries, and our Crouch End centre is no exception. We believe beautiful learning environments create the right impetus for children to interact, play and learn.

The nursery has five rooms: an indoor play area and four rooms split across three different age groups (babies, toddlers and preschool age children).

The Babies Room is dedicated

to children under the age of 15 months, and is kitted out with special activities that they are sure to love. It features comfortable baby furniture, fun toys and resources for sensory, physical and cognitive development.

The toddlers have two rooms. These are larger spaces, that let them run around and participate in the multitude of activities that are available to them.

Preschoolers get a room that

Everything is sourced from the best suppliers in the UK and Europe

Meet the team

The people behind our brilliant preschools

All our UK nurseries are supported by our knowledgeable multinational team. Our Crouch End centre benefits from our excellent ground team, as well as our senior leadership in the UK.

The school's Nursery Manager and Deputy Manager, plus all its teachers, are from the town.

This means that they are fully

integrated into the community in addition to possessing years of experience managing top-quality nurseries.

Head of Operations UK Emma Phillips

Emma has worked in the early education sector for 15 years, managing a wide variety of preschools across the UK.

Emma manages all our schools in Greater London. She works at all levels, ensuring regulatory and educational

standards are met and creating plans for our schools' continued development.

Head of Regulatory Affairs and Quality Support (UK) Tiffany Vickery

Tiffany has more than 25 years' experience in early years education and has worked both in the UK and abroad. Her childcare provision was rated outstanding by Ofsted in November 2016, after which

she joined Kido as our first UK Nursery Manager in March 2017.

Tiffany's passion drives her to consistently deliver high-quality care and education to all children and their families, ensuring that legislative policy, and compliance is maintained.

Head of Talent (Global) and Head of People (UK) Catherine Stoneman

Catherine joined Kido in 2018,

helping us expand throughout the UK. As our Head of People, she is responsible for the attraction, sourcing and recruitment of Kido school practitioners and Head Office positions. Catherine works collaboratively with our Learning and Development teams to deliver quality training, induction and continued professional development.

Take a look at what parents are saying about their children’s Kido experience

**Kido Chiswick
Kastriot J**
“I am in absolute awe with regards to how much my daughter has achieved in her time at Kido Chiswick. Not only has she settled in exceptionally well, she has soared in her areas of learning.”

Chloe
“Our daughter has thrived at Kido. The staff are very good at communicating with parents, particularly via the app the nursery uses, so parents can see in almost real-time what their children are doing and eating throughout the day. The nursery has a great diversity of children and is a welcoming, safe environment for young children. Our daughter has become very independent and confident from her time spent at Kido so far.”

**Kido Clerkenwell
Skye A**
“This is a fantastic nursery with attentive staff and great facilities. My child is very happy and thriving there. I haven’t come across a nursery in London with outside space like it. The staff are always welcoming and adore the children.”

A.W
“I highly recommend this happy, clean, up-to-date nursery. My two-and-a-half-year-old looks forward to going, making me much calmer about leaving him while I work. The staff are all friendly and loving. They track your child’s activities and developmental milestones in pictures you can assess on the nursery app. Our

warm welcome is always a balm on a hectic morning. We are so pleased to have found Kido Nursery!”
**Kido Golders Green
Yinghao H**
“Our daughter has developed tremendously, both academically and socially since she started at Kido. Several people in her life have commented on how much

happier and more outgoing she has become since joining this nursery. She loves her teachers and her friends at school and talks about them with us often. We get reports through the Family App on a weekly basis (with pictures!) on how much she has learned. She is our third child, and

this is by far the best nursery experience we have had. The biggest difference? Transparency. We feel so much more connected to the school and her learning experience than any of the other nurseries.”

**Kido Windsor
Ala A**
My son, who is nearly three, has settled in beautifully at this preschool, even though he had been at a different school for over a year before this. The staff are fantastic. Everyone is incredibly professional and welcoming to all. The preschool is so bright and uplifting. The teaching style is so engaging for the kids and adaptable to meet everyone’s needs. After just the settling in sessions I noticed my son’s speech had improved a lot and he just seems happier overall. He is always excited to go to the nursery and has already made friends. We have been incredibly impressed at how well he has settled, mainly due to the welcoming staff, and the focus around getting to know him and understanding his learning style.

Lisa B
Everyone at Kido is lovely, welcoming and happy. It’s our first nursery, and I have no hesitation in leaving my son there. The staff are so caring and really bond with the kids. It’s clean, there are fun things to play with, they get out for walks and air and he eats and sleeps well there. I feel like I know what’s happening all day because the app provides updates and reassurance.

All our schools are dedicated to creating a fantastic experience for children and parents alike

COME AND SEE US

If you want to pay us a visit, you’ll find that Kido Crouch End Preschool & Nursery is easy to access. Our school can be found in the Earl Haig Hall, at 18 Elder Avenue. Hornsey Station is just a ten-minute walk away, while Crouch Hill Station is a 15-minute stroll.

Please note:
For healthier and happier students, and less congestion at the school gate, we recommend our parents walk to the preschool. Thank you for your understanding and cooperation.
