## Welcome to Kido Chiswick

Children can discover the great outdoors at our preschool, which is a stone's throw from Chiswick Park

There are plenty of opportunities for your children enjoy the wonders of nature at our Chiswick preschool

There's plenty of room to play at Chiswick. Our London preschool has over 4,500 sq ft. of space, and features huge indoor and outdoor play areas, expansive learning spaces and lots of natural light.

We've created a large covered outdoor play area of more than 1,500 sq ft. for the children to enjoy everything from football to outdoor art. An indoor play area complements the classrooms, so children have access to our play spaces whatever the weather.

We're the officially affiliated preschool for Chiswick Park, and the heart of the development is a one-minute walk from the centre. The school is just around the corner

from Chiswick Park tube station, and a two-minute walk away from a nearby nature trail. This means children can enjoy our "forest school" experience, as they go hiking through the nature reserve.

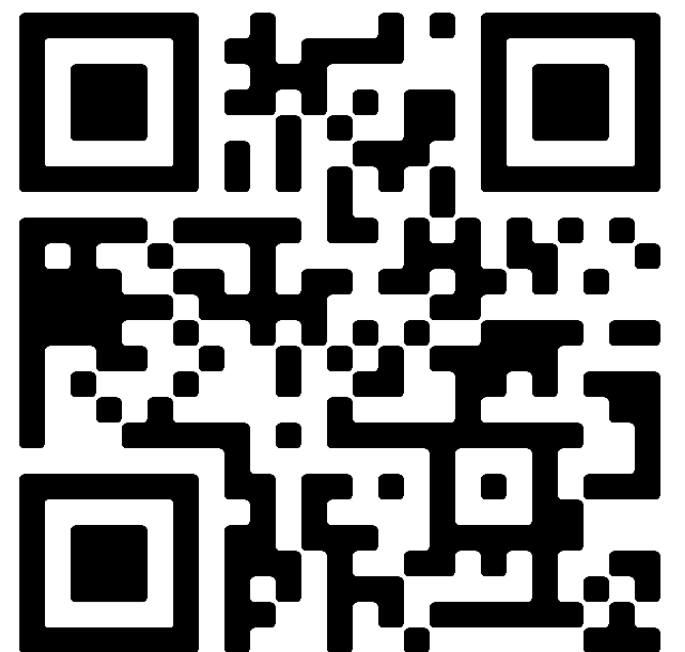

The school features separate rooms for babies and toddlers and two large preschool rooms. All rooms open out to the large outdoor play area, so children can easily explore both our outdoor and indoor areas.

The real journey, however, is your child's early education – and you get to decide where that adventure will take them, customising our programmes to suit your child.

Our Chiswick centre is a special place that caters to 100

students. Inspired by Reggio Emilia and Montessori, it is a learning environment your child will never want to leave.

## Our programmes

We aim to provide a comprehensive learning experience for you and your children.

Our Chiswick preschool is split into various zones, each one dedicated to a different age group, with specially designed activities. But no matter what part of our school your child explores, they're sure to be inspired by its stunning surroundings.

Your child's journey begins at an early age. We'll introduce basic concepts to them in a fun and relaxing way

DISCOVERERS

Your child's journey begins at six weeks old. We develop their core cognitive, emotional and social skills through a combination of free and guided play, dance, art and music classes, and messy play. Our physical development programme helps improve their motor skills, while their confidence and social skills are enhanced with interactive learning, songs, poems and circle time.

We constantly introduce new materials, media and textures during creative play sessions, to build their imagination and inventiveness. Children can discover the basic concepts of numbers, phonics, shapes, sounds and colours at a rate that suits them as an individual.

Days at Kido are broken into two distinct flavours; Skill Days, which provide your child their first steps into the world of maths and literacy; and Explorer Days, which are packed with fun activities based around a specific subject. And you don't have to worry about your child's home routine being disrupted. Our highly trained staff coordinate with each family when agreeing meal and nap times, to ensure a smooth transition from school to home and vice versa.

ADVENTURERS

Our Adventurers programme starts as soon as your child can walk and usually finishes by the time they're two years old – though children can move to

Messy play sessions with mud, water and sand are a fun way for children to develop their fine motor skills

the next stage as soon as they're ready. Adventurers build their confidence and skills across all of the development areas in our curriculum, with their week split into three Skills Days and two Explorer Days.

On their Skills Days, Adventurers will cover maths, literacy, science and art, and enjoy yoga, dance and music classes as part of their physical development. On Explorer Days, Adventurers will tackle varied projects, specifically designed to take their interests into account.

Our specially curated learning experiences are ideal for your child's development – and plenty of fun too. We also start toilet training at Adventurers, consulting with each individual family to create a routine that makes every child feel safe and at home while at our nursery.

PRESCHOOL

We build a complete understanding of every child's ideal learning environment, and use this knowledge to create customised lesson plans for them. These personalised experiences help them become more creative, and inspire a love of learning from an early age.

At four years old, our students should understand maths and English at preschool (or higher) level, reaching primary school level by the time they are five years old.

Along the way, we also introduce coding through apps, photography, video editing, writing stories and much more.

Weeks are broken into three Skills Days and two Explorer Days, which incorporate indoor and outdoor play, dance, music and yoga.

Toys and activities will help build your child's confidence and skills across all our key development areas

## Where you learn is just as important as what you learn

All of our rooms provide enough space for your child to run around and explore

materials curated to deliver our curriculum.

Our play areas feature a sand pit, role play areas and soft play, including slides for all-round physical development.

All learning resources and toys are sourced from the highest quality suppliers in the UK and Europe, matching the needs of our curriculum and ensuring endless hours of fun for the children.

With so many fun activities, our children never get bored of learning

Our Chiswick preschool, like all our schools, is heavily influenced by the Reggio Emilia approach. It's a truly stunning educational environment, which encourages children to play and learn.

The nursery has four rooms, with each one specialising in a particular age group – babies, toddlers and preschool age children.

The Babies Room is dedicated to 12 children, all of whom are under the age of 15 months, and

is kitted out specifically for our youngest charges. It features comfortable baby furniture, fun toys and resources for sensory, physical and cognitive development.

The toddlers have a larger space, to run around and participate in the multitude of activities that are available to them.

Preschoolers get two large and spacious rooms, extensively resourced with learning

Everything is sourced from the best suppliers in the UK and Europe

## Meet the team

### The people behind our brilliant preschools

All our UK nurseries are supported by our knowledgeable multinational team. Our Windsor centre benefits from our excellent ground team, as well as our senior leadership in the UK.

The school's Nursery Manager and Deputy Manager, plus all its teachers, are from the town.

This means that they are fully integrated into the community

in addition to possessing years of experience managing top-quality nurseries.

**Head of Operations UK**  
**Emma Phillips**

Emma has worked in the early education sector for 15 years, managing a wide variety of preschools across the UK.

Emma manages all our schools in Greater London. She works at all levels, ensuring regulatory and educational standards are met and creating

plans for our schools' continued development.

**Head of Regulatory Affairs and Quality Support (UK)**  
**Tiffany Vickery**

Tiffany has more than 25 years' experience in early years education and has worked both in the UK and abroad. Her childcare provision was rated outstanding by Ofsted in Nov 2016, after which she joined

Kido as our first UK Nursery Manager in March 2017.

Tiffany's passion drives her to consistently deliver high-quality care and education to all children and their families, ensuring that legislative policy, and compliance is maintained.

**Head of Talent (Global) and Head of People (UK)**  
**Catherine Stoneman**

Catherine joined Kido in 2018, helping us expand throughout the UK. As our Head of People,

she is responsible for the attraction, sourcing and recruitment of Kido school practitioners and Head Office positions. Catherine works collaboratively with our Learning and Development teams to deliver quality training, induction and continued professional development.

Take a look at what parents are saying about their children’s Kido experience

**Kastriot J**  
I am in absolute awe with regards to how much my daughter has achieved in her time at Kido Chiswick.  
Not only has she settled in exceptionally well, she has soared in her areas of learning. I am at ease knowing she is in the hands of great practitioners who keep me updated on her progress on a daily basis.

**Chloe**  
Our daughter has thrived at Kido. The staff are very good at communicating with parents, particularly via the app the nursery uses, so parents can see in almost real-time what their children are doing and eating throughout the day.  
The nursery has a great diversity of children and is a welcoming, safe environment for young children. Our daughter has become very independent and confident from her time spent at Kido so far.

**Suzanne**  
Both my children go to nursery and are very happy there. The staff are very dedicated and friendly and know the children very well.  
We get daily updates via an app, which is great for following the activities of the children. The rooms are spacious and well

designed. There is also a lovely garden which the toddlers and preschoolers can enjoy.

**Fiona L**  
Our daughter has been settling in at Kido the last couple of months. The staff are wonderful and the care is exceptional. They have made her and us as parents feel very welcome.

The updates on the app really help to reassure us that she is learning, making friends and having fun. I love the way there is such a focus on personalised development and really look forward to seeing her progress.

**Marie J**  
The staff are very nice, my child is developing very well and fast

since the first days of nursery. I’m very happy for my child to go there.

**R.F**  
Kido is a great place with a great team. They are very friendly, accommodating and professional.  
Our son loves going to nursery

and has come along a lot since starting.

**H.H**  
Kido is absolutely fantastic, from its managers and staff to its wonderful setting. It’s full of open spaces, light and has a great outdoor playground.  
My child has thrived in these few months at Kido Chiswick. I cannot recommend the nursery enough.

**T.M**  
This is a very nice nursery. It is brand new, with dedicated staff and a very friendly atmosphere. It has a good outdoor area and a nice park nearby.

All our schools are dedicated to creating a fantastic experience for children and parents alike

COME AND SEE US

If you’d like to visit our Chiswick centre, you’ll find that it’s easy to get there.  
Kido Chiswick Nursery & Preschool is located on Colonial drive, just a couple of minutes away from Chiswick Park station or a 12-minute walk from Gunnersbury station.

Please note:  
For healthier and happier students, and less congestion at the school gate, we recommend our parents walk to the preschool.  
Thank you for your understanding and cooperation.
