INTERNATIONAL NURSERY | ROCHESTER SQUARE CAMDEN | CAMDEN@KIDO.SCHOOL | +44 20 74 289 773

"My child and I have been made to feel extremely welcome by the nursery." Holly H

"This is a newly opened well-appointed nursery with excellent staff." Fearg O

"We are thoroughly impressed with every aspect of the centre." Daniel G

Welcome to Kido Camden

A 100-year-old Spiritualist Temple is now a cutting-edge learning centre for young children

Our goal is to create inspiring and beautiful schools that your children will love

Our Camden centre is truly special. Repurposed from a 100-year-old Spiritualist Temple, we've created an amazing preschool for 70 children. You'll find our school just a short walk from Camden Road tube station, close to London Zoo and Regent's Park.

The building has a very interesting history, and we have made a great effort to preserve many of the temple's original features, such as the large stained-glass windows, which provide plenty of natural light.

We've also preserved the building's foundation stones, which were put in place one hundred years ago – one of which was laid by none other than Sir Arthur Conan Doyle.

Even the mezzanine floor features the original arches and beams, though reworked to guarantee structural strength.

Our school is spread over two floors. The mezzanine floor is dedicated to pre-schoolers, with their own access and space. The ground floor features a special babies' room and two large toddler rooms. The large garden at the back features planters where the children grow their own food, a dedicated babies' outdoor area and plenty of space for outdoor play.

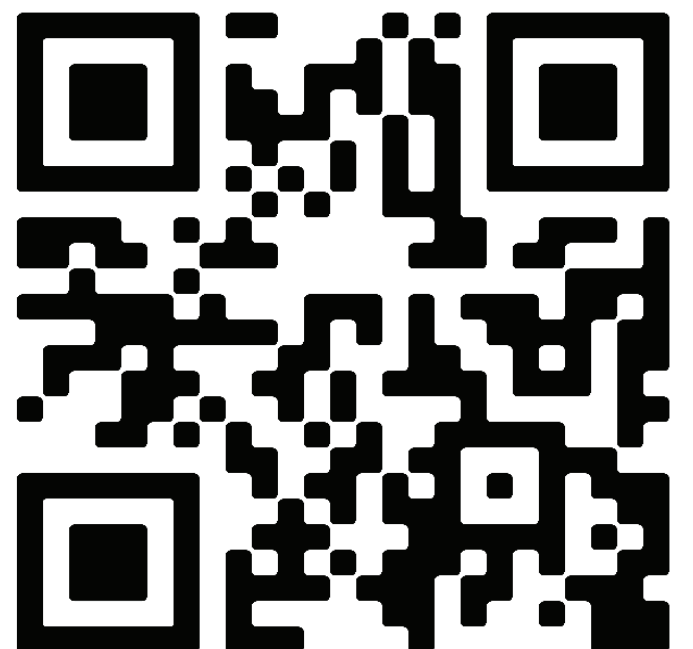

The nursery also benefits from being a five-minute walk away from a large public park – all the better for outdoor trips.

Our Reggio Emilia and

"The building has a very interesting history and we've made a great effort to preserve many of its original features."

Montessori-inspired classrooms are airy, bright and calming, and we regularly take our children out on day trips to local attractions.

Your child will enjoy plenty of interesting experiences such as story time, messy craft sessions and heuristic play opportunities.

Creating a journey

Our programmes

We aim to provide a comprehensive learning experience for you and your children.

Our Camden preschool is split into various zones, each one dedicated to a different age group, with specially designed activities. But no matter what part of our school your child explores, they're sure to be inspired by its stunning surroundings.

DISCOVERERS

Your child's journey begins at six weeks old. We develop their core cognitive, emotional and social skills through a combination of free and guided play, dance, art and music classes, and messy play. Our physical development programme helps improve their motor skills, while their confidence and social skills are enhanced with interactive learning, songs, poems and circle time.

We constantly introduce new materials, media and textures during creative play sessions, to build their imagination and inventiveness. Children can discover the basic concepts of numbers, phonics, shapes, sounds and colours at a rate that suits them as an individual.

Days at Kido are broken into two distinct flavours; Skill Days, which provide your child their first steps into the world of maths and literacy; and Explorer Days, which are packed with fun activities based around a specific subject. And you don't have to worry about your child's home routine being disrupted. Our highly trained staff coordinate with each family when agreeing meal and nap times, to ensure a smooth transition from school to home and vice versa.

ADVENTURERS

Our Adventurers programme starts as soon as your child can walk and usually finishes by the time they're two years old - though children can move to

Messy play sessions with mud, water and sand are a fun way for children to develop their fine motor skills

the next stage as soon as they're ready. Adventurers build their confidence and skills across all of the development areas in our curriculum, with their week split into three Skills Days and two Explorer Days.

On their Skills Days, Adventurers will cover maths, literacy, science and art, and enjoy yoga, dance and music classes as part of their physical development. On Explorer Days, Adventurers will tackle varied projects, specifically designed to take their interests into account.

Our specially curated learning experiences are ideal for your child's development - and plenty of fun too. We also start toilet training at Adventurers, consulting with each individual family to create a routine that makes every child feel safe and at home while at our nursery.

PRESCHOOL

We build a complete understanding of every child's ideal learning environment, and use this knowledge to create customised lesson plans for them. These personalised experiences help them become more creative, and inspire a love of learning from an early age.

At four years old, our students should understand maths and English at preschool (or higher) level, reaching primary school level by the time they are five years old.

Along the way, we also introduce coding through apps, photography, video editing, writing stories and much more.

Weeks are broken into three Skills Days and two Explorer Days, which incorporate indoor and outdoor play, dance, music and yoga.

Toys and activities will help build your child's confidence and skills across all our key development areas

Where you learn is just as important as what you learn

There is plenty of space for your child to run around and explore

extensively resourced with learning materials curated to deliver our curriculum.

Our play area features a natural gardening area, a sand pit, role play areas and soft play, including slides for all-round

physical development. All learning resources and toys are sourced from the highest quality suppliers in the UK and Europe, matching the needs of our curriculum and ensuring endless hours of fun for the children.

With so many fun activities, our children never get bored of learning

The Reggio Emilia approach is a huge influence on all our locations, including our Camden centre. Our philosophy is that inspiring locations lead to an improved experience, and help children learn from an early age.

Our school has three rooms, with each one specialising in a particular age group – babies, toddlers and preschool age children.

The Babies Room is dedicated to just twelve children, all of

whom are under the age of 15 months, and is kitted out specifically for our youngest charges. It features comfortable baby furniture, fun toys and resources for sensory, physical and cognitive development.

The toddlers have a larger space, to run around and participate in the multitude of activities that are available to them.

Preschoolers get their own room on the mezzanine floor,

Everything is sourced from the best suppliers in the UK and Europe

Meet the team

The people behind our brilliant preschools

All our UK nurseries are supported by our knowledgeable multinational team. Our Windsor centre benefits from our excellent ground team, as well as our senior leadership in the UK.

The school's Nursery Manager and Deputy Manager, plus all its teachers, are from the town.

This means that they are fully integrated into the community

in addition to possessing years of experience managing top-quality nurseries.

Head of Operations UK Emma Phillips

Emma has worked in the early education sector for 15 years, managing a wide variety of preschools across the UK.

Emma manages all our schools in Greater London. She works at all levels, ensuring regulatory and educational standards are met and creating

plans for our schools' continued development.

Head of Regulatory Affairs and Quality Support (UK) Tiffany Vickery

Tiffany has more than 25 years' experience in early years education and has worked both in the UK and abroad. Her childcare provision

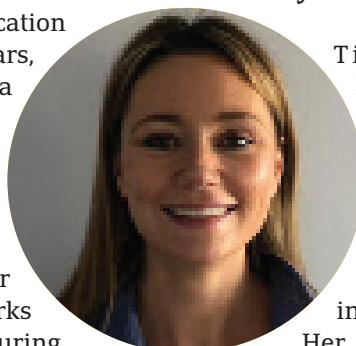

was rated outstanding by Ofsted in November 2016, after

which she joined Kido as our first UK Nursery Manager in March 2017. Tiffany's passion drives her to consistently deliver high-quality care and education to all children and their families, ensuring that legislative policy, and compliance is maintained.

Head of Talent (Global) and Head of People (UK) Catherine Stoneman

Catherine joined Kido in 2018, helping us expand throughout

the UK. As our Head of People, she is responsible for the attraction, sourcing and recruitment of Kido school practitioners and Head Office positions. Catherine works collaboratively with our Learning and Development teams to deliver quality training, induction and continued professional development.

Take a look at what parents are saying about their children’s Kido experience

Tatyana S
This is a fantastic school with wonderful teachers. I saw many schools before we chose Kido. Every day activities are thoroughly planned and very stimulating and educational for the kids. They enjoy music, foreign language classes and many more. My boy absolutely loves coming to Kido and I love it even more.

Inge T
We are very happy with Kido and my son loves it here. After moving countries, the staff have been a great help in making my son feel at home in London, from the settling in phase to transitions to other groups, and resolving his picky eating habits. It doesn't matter who I talk to, the staff members are all friendly, communicate clearly about any upcoming changes, and listen to feedback. We couldn't be happier.

Sophie G
Our daughter has been attending this nursery for a year and she loves it. We are very happy with this preschool which provides an amazing environment for kids.

J.R
Kido offers amazing care balanced with a top education. I

have a baby and a toddler with them and the team know my children inside out.

Christine K
Our kids have both been at the nursery since it opened. It is very bright and has lots of high-end toys. The outside space is on the large side and has a sand pit, climbing frames, mud kitchen and many toys for outside such

as bikes. I was happy to hear that my kids spend a good amount of time outside every day, especially when the weather is nice. The staff are just brilliant. They are so warm to our kids and have a good understanding of their needs. We can really see the big difference that the nursery has made to our kids since they started. Every day

happy too.

Bibi F
We looked at other preschools but we really liked Safari as it was new, the space was light and open and the staff seemed very knowledgeable, enthusiastic and interested in early years development. Our daughter started in October when she was 19 months old and has been very happy. Every morning she looks forward to going into school and we are greeted by smiling and happy staff and children. Kids are stimulated and they learn through play. Our daughter loves it and that is the main thing for us. It is more expensive compared to other nurseries but I you get what you pay for.

All our schools are dedicated to creating a fantastic experience for children and parents alike

COME AND SEE US

If you'd like to talk to us face-to-face, Kido Camden Preschool & Nursery is easy to get to. You'll find our school on Rochester Square, just a four-minute walk from Camden Road Station and a stone's throw away from St Pancras Way bus stop.

Please note:
For healthier and happier students, and less congestion at the school gate, we recommend our parents walk to the preschool.

Thank you for your understanding and cooperation.
