*"My child and I have been made to feel extremely welcome by the nursery." Holly H*

*"This is a newly opened well-appointed nursery with excellent staff." Fearg O*

*"We are thoroughly impressed with every aspect of the centre." Daniel G*

## Welcome to Kido Windsor

What began as a meeting hall has been repurposed into a beautiful place where children can grow, play and learn

No school can ever be too beautiful for your children. That's why we've created some of the most stunning and engaging early education centres in the world

The iconic scenery that surrounds our Windsor preschool is sure to inspire your children.

Our school is located in Grove Hall, on Grove Road in Windsor, minutes away from the Long Walk. It was originally a meeting hall, built in 1871, but following an extensive remodelling process is now a truly modern learning centre, equipped with the latest heating, air conditioning and plumbing systems.

To take full advantage of the school's 17-foot ceilings, we added a mezzanine floor, creating a wonderful preschool space for our older children to run, play and learn. This means our babies and toddlers

can enjoy the full expanse of the ground floor.

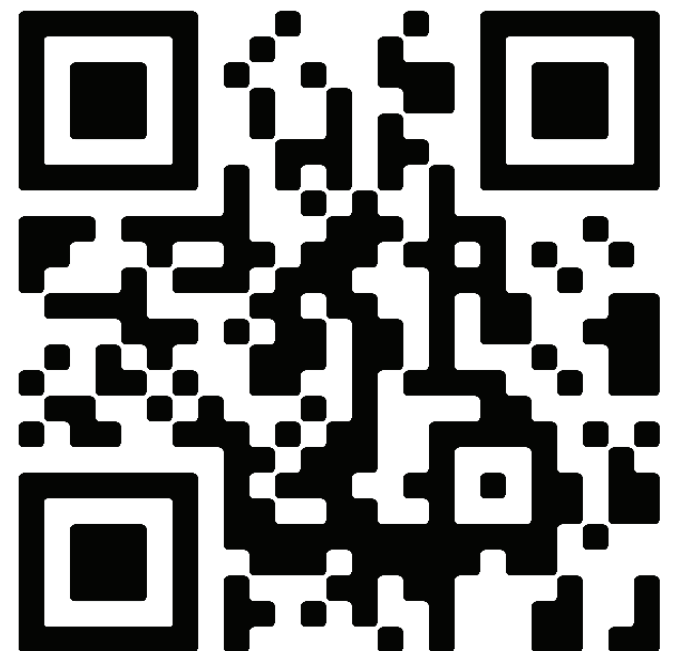

Though we were denied permission to build an open-air garden for our students, we decided to think outside the box, creating an indoor all-weather play area, complete with retractable skylights. But when it's time for the little ones to get some fresh air, we have close access to the greens of Windsor. Our students enjoy regular day trips, exploring the parks and watching the seasons change, or seeing the famous changing of the guards at Windsor Castle.

To ensure your child's safety and privacy, we have also installed the latest security systems at the school.

**"Our school is located in Grove Hall, on Grove Road in Windsor, minutes away from the Long Walk."**

We're incredibly proud of our Windsor centre, having taken a 2,400 sq ft. building and converted it into a 3,000 sq ft. school that caters to 55 students.

Drawing inspiration from Reggio Emilia and Montessori's teaching philosophies, we've created a pleasant, calming learning environment for your children.

# Creating a journey

## Our programmes

We aim to provide a comprehensive learning experience for you and your children.

Our Windsor preschool is split into various zones, each one dedicated to a different age group, with specially designed activities. But no matter what part of our school your child explores, they're sure to be inspired by its stunning surroundings.

DISCOVERERS

Your child's journey begins at six weeks old. We develop their core cognitive, emotional and social skills through a combination of free and guided play, dance, art and music classes, and messy play. Our physical development programme helps improve their motor skills, while their confidence and social skills are enhanced with interactive learning, songs, poems and circle time.

We constantly introduce new materials, media and textures during creative play sessions, to build their imagination and inventiveness. Children can discover the basic concepts of numbers, phonics, shapes, sounds and colours at a rate that suits them as an individual.

Days at Kido are broken into two distinct flavours; Skill Days, which provide your child their first steps into the world of maths and literacy; and Explorer Days, which are packed with fun activities based around a specific subject. And you don't have to worry about your child's home routine being disrupted. Our highly trained staff coordinate with each family when agreeing meal and nap times, to ensure a smooth transition from school to home and vice versa.

ADVENTURERS

Our Adventurers programme starts as soon as your child can walk and usually finishes by the time they're two years old - though children can move to

Messy play sessions with mud, water and sand are a fun way for children to develop their fine motor skills

the next stage as soon as they're ready. Adventurers build their confidence and skills across all of the development areas in our curriculum, with their week split into three Skills Days and two Explorer Days.

On their Skills Days, Adventurers will cover maths, literacy, science and art, and enjoy yoga, dance and music classes as part of their physical development. On Explorer Days, Adventurers will tackle varied projects, specifically designed to take their interests into account.

Our specially curated learning experiences are ideal for your child's development - and plenty of fun too. We also start toilet training at Adventurers, consulting with each individual family to create a routine that makes every child feel safe and at home while at our nursery.

PRESCHOOL

We build a complete understanding of every child's ideal learning environment, and use this knowledge to create customised lesson plans for them. These personalised experiences help them become more creative, and inspire a love of learning from an early age.

At four years old, our students should understand maths and English at preschool (or higher) level, reaching primary school level by the time they are five years old.

Along the way, we also introduce coding through apps, photography, video editing, writing stories and much more.

Weeks are broken into three Skills Days and two Explorer Days, which incorporate indoor and outdoor play, dance, music and yoga.

Fun toys and activities will help build your child's confidence and skills across all our key development areas

NUTRITIOUS AND HEALTHY FOOD

## Where you learn is just as important as what you learn

All of our rooms provide enough space for your child to run around and explore

extensively resourced with learning materials curated to deliver our curriculum.

Our play area features a cycling track, a climbing wall, a sand pit, role play areas and soft play, including slides for

all-round physical development. All learning resources and toys are sourced from the highest quality suppliers in the UK and Europe, matching the needs of our curriculum and ensuring endless hours of fun for the children.

With so many fun activities, our children never get bored of learning

The Reggio Emilia approach is a huge influence on all our nurseries, and our Windsor centre is no exception. We believe beautiful learning environments create the right impetus for children to interact, play and learn. The nursery has three rooms, with each one specialising in a particular age group – babies, toddlers and preschool age children.

The Babies Room is dedicated to just nine children, all of whom

are under the age of 15 months, and is kitted out specifically for our youngest charges. It features comfortable baby furniture, fun toys and resources for sensory, physical and cognitive development.

The toddlers have a larger space, to run around and participate in the multitude of activities that are available to them.

Preschoolers get their own room on the mezzanine floor,

Everything is sourced from the best suppliers in the UK and Europe

## Meet the team

### The people behind our brilliant preschools

All our UK nurseries are supported by our knowledgeable multinational team. Our Windsor centre benefits from our excellent ground team, as well as our senior leadership in the UK.

The school's Nursery Manager and Deputy Manager, plus all its teachers, are from the town.

This means that they are fully integrated into the community

in addition to possessing years of experience managing top-quality nurseries.

**Head of Operations UK**  
**Emma Phillips**

Emma has worked in the early education sector for 15 years, managing a wide variety of preschools across the UK.

Emma manages all our schools in Greater London. She works at all levels, ensuring regulatory and educational standards are met and creating

plans for our schools' continued development.

**Head of Regulatory Affairs and Quality Support (UK)**  
**Tiffany Vickery**

Tiffany has more than 25 years' experience in early years education and has worked both in the UK and abroad. Her childcare provision

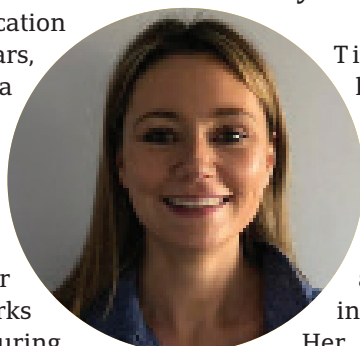

was rated outstanding by Ofsted in November 2016, after

which she joined Kido as our first UK Nursery Manager in March 2017. Tiffany's passion drives her to consistently deliver high-quality care and education to all children and their families, ensuring that legislative policy, and compliance is maintained.

**Head of Talent (Global) and Head of People (UK)**  
**Catherine Stoneman**

Catherine joined Kido in 2018, helping us expand throughout

the UK. As our Head of People, she is responsible for the attraction, sourcing and recruitment of Kido school practitioners and Head Office positions. Catherine works collaboratively with our Learning and Development teams to deliver quality training, induction and continued professional development.

Take a look at what parents are saying about their children’s Kido experience

**JAMES A**  
We were very nervous about our son starting preschool and the Parent Relationship Manager and the Management team put our minds at ease.  
They were friendly and very flexible with settling in dates. The staff in his room have gone above the norm to get to know him and find out what he likes to help him settle. We love having access to his daily nursery life via the app.

**Ala A**  
My son, who is nearly three, has settled in beautifully at this preschool, even though he had been at a different school for over a year before this. The staff are fantastic. Everyone is incredibly professional and welcoming to all. The preschool is so bright and uplifting.  
The teaching style is so engaging for the kids and adaptable to meet everyone’s needs. After just the settling in sessions I noticed my son’s speech had improved a lot and he just seems happier overall.  
He is always excited to go to the nursery and has already made friends. We have been incredibly impressed at how well he has settled, mainly due to the welcoming staff, and the focus around getting to know him and understanding

his learning style.  
**Lisa B**  
Everyone at Kido is lovely, welcoming and happy. It’s our first nursery, and I have no hesitation in leaving my son there.  
The staff are so caring and really bond with the kids. It’s clean, there are fun things to play with, they get out for walks and air and he eats and

sleeps well there. I feel like I know what’s happening all day because the app provides updates and reassurance.  
**Daniel G**  
Our son has been at the preschool since they opened and we are thoroughly impressed with every aspect of the centre. The staff are attentive and all the children are comfortable with them. The different spaces

Review Score from 19 Reviews

Our reviews are taken from [daynurseries.co.uk](http://daynurseries.co.uk)

they have created stimulate the children so they are always learning as well as having fun - the inside/outside garden is a fantastic use of space.

The management seems very organised and always open to feedback as well as having some great parent events such as open forums, Father’s Day/

Mother’s Day get-togethers and grandparent mornings. It’s lovely to see so many happy children and parents at drop off and pick up.

**Rob W**  
This is hands down the best school we have visited. Our 18-month-old son has settled so quickly and made fantastic bonds with all of the staff, not just the teachers in his room. So quickly he changed from our baby to our independent little chatterbox toddler.  
They go for walks every day and he adores the indoor garden. All the staff are so welcoming, I can’t wait to see how much more they teach him. There’s no full-time working parent guilt when you are leaving your child at such a wonderful place with such friendly staff.

**Magdalena**  
After visiting a few preschools and childminders in the area, my husband and I connected the most with Kido. They have lovely, cosy facilities and most importantly, a very caring and dedicated team of staff. Every time we walk into the nursery there is a dynamic, enthusiastic and loving energy which we haven’t felt elsewhere.  
The indoor garden is lovely and kids are taken out on walks or outside activities every day. Our baby girl is one year old and started nursery last week for the first time. She absolutely loves it, which is amazing to watch and a great relief for us. The team is great at communicating with us parents and ensuring that our baby girl can adjust to different sleeping arrangements and new environments.

All our schools are dedicated to creating a fantastic experience for children and parents alike

COME AND SEE US

If you want to pay us a visit, you’ll find that Kido Windsor Preschool & Nursery is easy to access. Our school is located on Grove Road, just a 12-minute walk from Windsor & Eton Central railway station and a stone’s throw away from The Long Walk.

Please note: There is no parking or drop-off available outside our nursery on Grove Road or Helena Road.  
For healthier and happier students, and less congestion at the school gate, let’s all walk to the preschool. Thank you for your understanding and cooperation.
