## Welcome to Kido Golders Green

Fun activities, peaceful environments and huge, open spaces. There's plenty for children to discover here

No school can ever be too beautiful for your children. That's why we've created some of the most stunning and engaging early education centres in the world

Our Golders Green centre is perhaps the most visually striking preschool in London. It's located just a stone's throw from Hampstead Heath Park and Golders Green tube station.

This repurposed church hall features a large, dedicated babies' room, a toddlers' room on the mezzanine floor and a very large space for preschoolers. It even comes complete with an indoor slide from the mezzanine to the ground floor, which is tremendous fun for children and adults alike.

Our preschool features a large garden where children can play and explore. Here, they'll discover a dedicated bike track, sand pit, mud

kitchen and much more. It also has a special space for babies, separate from the rest of the outdoor space.

The leafy surroundings contribute to a peaceful environment, where children feel at home and at ease. Your child will find generous play spaces, an art studio and calming nap rooms for the younger ones in our care.

It's the perfect place for them to discover the marvels of maths, science and technology or take their first steps towards learning a second language, like Spanish, French or Mandarin.

Our 4,000 sq ft nursery space is ready and waiting for children between three months

# Creating a journey

## Our programmes

We aim to provide a comprehensive learning experience for you and your children.

Our Golders Green preschool is split into various zones, each one dedicated to a different age group, with specially designed activities. But no matter what part of our school your child explores, they're sure to be inspired by its stunning surroundings.

Your child's journey begins at an early age. We'll introduce basic concepts to them in a fun and relaxing way

**DISCOVERERS (0 - 15 MONTHS)**

**NUTRITIOUS AND HEALTHY FOOD**

**DISCOVERERS**

Your child's journey begins at six weeks old. We develop their core cognitive, emotional and social skills through a combination of free and guided play, dance, art and music classes, and messy play. Our physical development programme helps improve their motor skills, while their confidence and social skills are enhanced with interactive learning, songs, poems and circle time.

We constantly introduce new materials, media and textures during creative play sessions, to build their imagination and inventiveness. Children can discover the basic concepts of numbers, phonics, shapes, sounds and colours at a rate that suits them as an individual.

Days at Kido are broken into two distinct flavours; Skill Days, which provide your child their first steps into the world of maths and literacy; and Explorer Days, which are packed with fun activities based around a specific subject. And you don't have to worry about your child's home routine being disrupted. Our highly trained staff coordinate with each family when agreeing meal and nap times, to ensure a smooth transition from school to home and vice versa.

**ADVENTURERS**

Our Adventurers programme starts as soon as your child can walk and usually finishes by the time they're two years old - though children can move to

Messy play sessions with mud, water and sand are a fun way for children to develop their fine motor skills

the next stage as soon as they're ready. Adventurers build their confidence and skills across all of the development areas in our curriculum, with their week split into three Skills Days and two Explorer Days.

On their Skills Days, Adventurers will cover maths, literacy, science and art, and enjoy yoga, dance and music classes as part of their physical development. On Explorer Days, Adventurers will tackle varied projects, specifically designed to take their interests into account.

Our specially curated learning experiences are ideal for your child's development - and plenty of fun too. We also start toilet training at Adventurers, consulting with each individual family to create a routine that makes every child feel safe and at home while at our nursery.

**PRESCHOOL**

We build a complete understanding of every child's ideal learning environment, and use this knowledge to create customised lesson plans for them. These personalised experiences help them become more creative, and inspire a love of learning from an early age.

At four years old, our students should understand maths and English at preschool (or higher) level, reaching primary school level by the time they are five years old.

Along the way, we also introduce coding through apps, photography, video editing, writing stories and much more.

Weeks are broken into three Skills Days and two Explorer Days, which incorporate indoor and outdoor play, dance, music and yoga.

Toys and activities will help build your child's confidence and skills across all our key development areas

## Where you learn is just as important as what you learn

All of our rooms provide enough space for your child to run around and explore

hall, extensively resourced with learning materials curated to deliver our curriculum.

Our play area features a cycling track, a sand pit, role play areas and soft play, including slides for all-round

physical development. All learning resources and toys are sourced from the highest quality suppliers in the UK and Europe, matching the needs of our curriculum and ensuring endless hours of fun for the children.

With so many fun activities, our children never get bored of learning

All of our preschools are designed around the Reggio Emilia approach. In our Golders Green centre, we have created a beautiful space where children can have fun and learn at the same time.

The school has three rooms, with each one specialising in a particular age group – babies, toddlers and preschool age children.

The Babies Room is dedicated to just 12 children, all of whom

are under the age of 15 months, and is kitted out specifically for our youngest charges. It features comfortable baby furniture, fun toys and resources for sensory, physical and cognitive development.

The toddlers have a larger space on the mezzanine floor, to run around and participate in the multitude of activities that are available to them.

Preschoolers get have the entire ground floor of the large

Everything is sourced from the best suppliers in the UK and Europe

## Meet the team

### The people behind our brilliant preschools

All our UK nurseries are supported by our knowledgeable multinational team. Our Windsor centre benefits from our excellent ground team, as well as our senior leadership in the UK.

The school's Nursery Manager and Deputy Manager, plus all its teachers, are from the town.

This means that they are fully integrated into the community

in addition to possessing years of experience managing top-quality nurseries.

#### Head of Operations UK Emma Phillips

Emma has worked in the early education sector for 15 years, managing a wide variety of preschools across the UK.

Emma manages all our schools in Greater London. She works at all levels, ensuring regulatory and educational standards are met and creating

plans for our schools' continued development.

#### Head of Regulatory Affairs and Quality Support (UK) Tiffany Vickery

Tiffany has more than 25 years' experience in early years education and has worked both in the UK and abroad. Her childcare provision

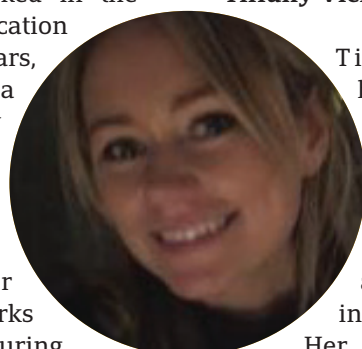

was rated outstanding by Ofsted in November 2016, after

which she joined Kido as our first UK Nursery Manager in March 2017. Tiffany's passion drives her to consistently deliver high-quality care and education to all children and their families, ensuring that legislative policy, and compliance is maintained.

#### Head of Talent (Global) and Head of People (UK) Catherine Stoneman

Catherine joined Kido in 2018, helping us expand throughout

the UK. As our Head of People, she is responsible for the attraction, sourcing and recruitment of Kido school practitioners and Head Office positions. Catherine works collaboratively with our Learning and Development teams to deliver quality training, induction and continued professional development.

Take a look at what parents are saying about their children’s Kido experience

**Yinghao H**  
Our daughter has developed tremendously, both academically and socially since she started at Kido Golders Green in September 2018. Several people in her life have commented on how much happier and more outgoing she has become since joining this nursery. She loves her teachers and her friends at school and talks about them with us often. We get reports through the Family App on a weekly basis (with pictures!) on how much she has learned. Whether it's writing her name in the salt tray, building structures in the garden or learning Mandarin and French, she truly enjoys discovering new things at Kido. We couldn't be more pleased.  
She is our third child, and this is by far the best nursery experience we've had (it's our third preschool spanning across South Kensington, Maida Vale and Golders Green in six years). The biggest difference? Transparency. We feel so much more connected to the centre and her learning experience than at the other preschools.

**S.B**  
I'm very impressed with my daughter's progress at Kido. She comes home every day and won't stop talking about all the different activities she does

during the day.  
She has really changed in many positive aspects and I cannot thank Kido enough for all their help and support towards this.

**Gittit H**  
We send our daughter to the

preschool every morning with a big smile on her face and a true sense of safety and security in our heart.  
The staff are amazing - loving, and kind, with so much patience and professionalism. The curriculum is rich and versatile. The facility is beautiful and it's

obvious the kids enjoy being in the school very much.

**Isabel K**  
We have been very happy with this nursery. The staff are very caring and get to know the children as individuals. There is

a variety of activities with both indoor and outdoor facilities and playtime.  
The building is a stunning renovation of a church hall.  
Overall, we feel our child is nurtured and safe and the staff really care, which is the most important thing of all.

**Ludmila O**  
My daughter loves the nursery and I am very happy with the service and the development we have seen after she joined Kido in October 2018.  
The staff are all incredibly friendly and helpful. I would highly recommend a visit to the preschool.

All our schools are dedicated to creating a fantastic experience for children and parents alike

COME AND SEE US

Feel free to stop by our centre and see it for yourself.  
Kido Golders Green Nursery & Preschool can be found in West Heath Drive. It's easily accessible – just three minutes away from Golders Green station and around the corner from Hampstead Heath park.

Please note:  
For healthier and happier students, and less congestion at the school gate, we recommend our parents walk to the preschool.  
Thank you for your understanding and cooperation.
